Scott - Comment No. 4 of Eagle Water's REBUTTAL COMMENTS should read as follows:

4. Eagle Water has been working with DEQ to clarify its current ability to serve the Covenant Hill subdivision. Based on discussion with DEQ on Thursday, November 17<sup>th</sup> and Friday November 18<sup>th</sup>, Eagle Water believes that an immediate lifting of DEQ's September 7<sup>th</sup> moratorium on new service connections, as it pertains to this subdivision, is imminent. Once that moratorium is lifted, Hillview Development may commence construction according to its stated schedule. Consequently, Eagle Water requests that the Commission delay a decision in this matter until November 28, 2005.

Eagle Water erroneously stated the date until which it is requesting the Commission to delay its decision as November 21st. The correct date is Monday, November 28, 2005.
