Enclosed is a copy of the operating agreement between EWC and the Evergreen Terrace Water Assn. The ETWA began operation of the water system on 6/1/2011. DEQ has approved and granted a loan to update the system. The ETWA will have the project completed this year. We will complete a transfer of all assets of EWC once the property survey is recorded and all transfer documents signed. Hopefully in the next couple of months.

What information do you require to cancel the Certificate of Public Convenience? We were not planning on filing an annual report for 2011.

Sincerely,

Arlo Slack

Operating Agreement between Evergreen Water Company (EWC) and Evergreen Terrace Water Association (ETWA)

On 6/1/11 ETWA will begin operation and maintenance of the facilities owned by EWC.

This will include:

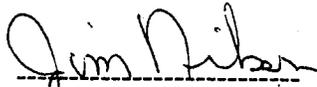

- All pump, reservoir, pipeline, meter repair and maintenance.
- All supplies needed to keep water quality in compliance with DEQ standards.
- All utility, lab, one call and other bills related to operating the system
- Reading meters, sending bills, collecting monies owed and public notifications
- All financial control and record keeping
- Any other item or cost not mentioned that relates to operating the water system

EWC will be responsible for real property taxes until property transfer.

EWC will transfer ownership when the survey of the well lot is completed, and transfer documents signed.
