Please describe your question or comment briefly:  
We own two lots on W. State Street in Boise. Regarding the division of property for water service in that area - the tentative division line between Eagle Water and United Water is drawn between our two lots. At this point in time we have no request for either water company but we do request that both of our lots be within the same district.  
They are Lot 5, Block 1, Randall Acres Sub No. 9 (R7334200041) and Lot 6, Block 1, Randall Acres Sub No. 9 (R7334200051).  
If you require any further information, please notify us.  
Thank you,  
Donna
