Name of Utility Company: Island Park Water Company, INC Add to Mailing List: yes

Please describe your comment briefly:

I am interested in the proceedings of this rate increase of 224% for H2O. Only use the water two to three months a year at the most and think this is a bit excessive for part time users. Not to mention the stupid flyer that they sent out about letting your water run a pencil size stream during the winter, which is a great loss of the resource to my opinion.  
Thank You Pat
