DATE: JUNE 4, 2004

**SUBJECT: CASE NO. JHW-W-04-1 (Humpy's Water)
CANCELLATION OF CERTIFICATE NO. 394**

On May 24, 2004, the Commission received a letter from Joe D. Humpherys, certificated owner of Humpy's Water Company, requesting that Certificate No. 394 be cancelled because the Company's 16 customers are now served by the Moreland Water and Sewer District. The service area of Humpy's Water Company was the East Moreland Subdivision located in Blackfoot, Idaho. Staff has contacted the water district, has verified that the customers previously served by Humpy's Water Company are now served by the water district and recommends that the Certificate be cancelled.

Commission Decision

Humpy's Water Company no longer provides water service. The Company's customers are now served by the Moreland Water and Sewer District. Mr. Humpherys and Staff recommend that Certificate No. 394 be cancelled. Does the Commission agree?
