my WATER occasionally stinks like
Sulfur

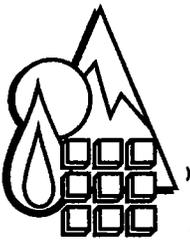

I HAVE APPIANCANCES that have
BROWN STAINS all over, too much iron

A filter is in order from the
pump House to all receiving water,
and paying for it.

I have lived ^{with} ~~at~~ Kootenai Heights water for 1 year. The water has turned my bathroom, bathtub + toilets brown. I have spent much time + energy trying to keep my bathroom clean.

The water has an odor when I turn it on in the morning.

I have plenty of pressure.

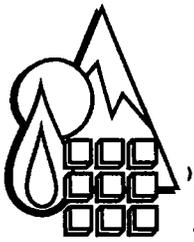

I would like to be put on the service list as an interested party.

The water system is not of quality to drink.
Our appliances and toilets are being ruined.
I worry for the health of myself and child.
The water stinks and stains. I have no
water pressure on the northside of my home.
I had to put in a sprinkler system in at my
expense in order to plant grass to have a yard
for my child. No Pressure, no sprinkler, no grass.
I think Floyd McGhee should make this right at
his expense. I don't think Floyd should be allowed
to develop behind us and provide City Water for
them without taking care of us first.
Please add me to the Service List as an
interested Party!

- Our water smells bad - we buy on drinking and cooking water. We'd like it tested and, if necessary, we'd like a filter put in.
- no bills/invoices - we just send a payment
- we'd like a central filter at the well to stop the sulfur smell.
- disinfecting tablets, clothes in the wash.

* Please put me on service list as an interested party
