**Re: Public Workshop for Customers of Kootenai Heights Water System, Inc.
Case No. KHW-W-05-01**

Dear Kootenai Heights Water Customer:

The Idaho Public Utilities Commission has scheduled a public workshop for the customers of Kootenai Heights Water System. The workshop is an informal meeting where members of the Commission Staff will be present to answer questions and to provide information. Representatives of the Company may also be present. The purpose of this workshop is for Commission Staff to dispense information regarding the Company's Application, the pending case before the Commission, the Commission's procedures, and to obtain input from the customers regarding their water service.

This workshop has been scheduled for Tuesday, February 20, 2007, at 7:00 p.m. It will be held in the Kootenai City Hall, 204 Spokane Street, Kootenai, Idaho. As a customer of Kootenai Heights Water we would greatly appreciate your attendance at this workshop.

I have enclosed with this letter the Commission's Notice of Scheduling and Notice of Public Workshop. The informal prehearing conference scheduled during the afternoon of February 20 is for the Company's legal representative and Staff's legal representative. If you have access to the Internet, you can view the documents that have been filed for this case by going to the Commission's website at: <http://www.puc.idaho.gov>, then clicking on the "Water" icon, then clicking on "Open Water Cases," then clicking on the case number, "KHW-W-05-01." We look forward to seeing you at the workshop.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Walker".
