The Company issued a notice to its customers with its March bills notifying them that it is seeking a 35% increase. If approved, a 35% increase would result in an increase in the monthly bills of customers with ¼ acre of \$7.70, customers with ½ acre of \$10.10, and customers of 1 acre of \$12.50.

To meet continued operations needs, the Company requests a revenue requirement increase of approximately 35%. The Commission approved a rate increase for the Company in 2002, and implemented a surcharge of \$5.00 per month to fund a contingency reserve account (with the total amount in the reserve account capped at \$10,000).
