RE: MORNING VIEW WATER COMPANY GENERAL RATE CASE
CASE NO. MNV-W-06-01

On December 8, 2006, Nolan Gneiting, president of Morning View Water Company, Inc. (Morning View; Company) filed a letter with the Commission requesting a 40% increase in rates.

On August 30, 2007, the Commission approved an annual revenue requirement for Morning View of \$41,436 and a uniform percentage increase in commodity rates (Order No. 30420). In the order the Commission also approved continuation of a \$5 per month customer surcharge to continue funding of a contingency reserve account.

Morning View has submitted tariffs in response to that Order, which are attached and include:

- Schedule No. 1, Residential Flat Rate
- Schedule No. 2, Miscellaneous Charges

RECOMMENDATION:

Staff finds that the tariffs submitted are in compliance with Commission Order No. 30420 and recommends that they be approved as submitted.
