IDAHO PUBLIC  
UTILITIES COMMISSION

Attorneys for Applicant

**BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION**

IN THE MATTER OF THE  
APPLICATION OF MAYFIELD  
SPRINGS WATER COMPANY, INC.,  
FOR A CERTIFICATE OF PUBLIC  
CONVENIENCE AND NECESSITY

**CASE NO. MSW-W-08-01**

**MAYFIELD SPRINGS WATER  
COMPANY, INC.'S SECOND  
CLARIFICATION TO REPLY  
COMMENTS**

COMES NOW Mayfield Springs Water Company, Inc., an Idaho corporation (the "Company" or "Mayfield"), by and through its counsel, Fisher Pusch & Alderman LLP, and files this Second Clarification to Reply Comments.

The Company wishes to provide clarification on an additional matter on which it filed reply comments. This matter involves the number of customers with unpaid balances who are also involved in the homeowner's suit against the Company. On page 14 and 15 in the Reply Comments, the Company makes the following statement.

There is no dispute that the Company has continuously provided water service to its customers and that it began billing for service in January of 2007. As admitted by Mr. Corvino in his Intervenor Testimony, at least two customers have only paid for one month of service and four have never paid for water service. In addition, the Company's billing records indicate that the majority of the 14 homeowners suing the Company have never paid for any water service despite in many cases being provided with service for more than two years.

Reply Comments at pp. 14-15. The Company has rereviewed all of its billing data and is submitting the following documents for **Exhibit 34** which should replace the existing **Exhibit 34**. This billing data shows the full history for each of these 14 customer accounts to insure that customers are properly credited for any amounts they have paid toward water service provided by the Company in the pas. Based on the data included in new **Exhibit 34** it still is apparent that the Company is owed significant balances on certain customer accounts for water service. Currently, the Company is reviewing all of the remaining customer accounts and can submit additional history on these if requested to do so.

DATED THIS 7 day of July, 2008.
