APPLICATION OF MAYFIELD
SPRINGS WATER COMPANY, INC.,
FOR A CERTIFICATE OF PUBLIC
CONVENIENCE AND NECESSITY

CASE NO. MSW-W-08-01

**PETITION TO ALTER OR AMEND
COMMISSION FINAL ORDER NO.
30628**

COMES NOW, Mayfield Springs Water Company, Inc., (the "Company") by and through its counsel, Fisher Pusch & Alderman LLP and files its Petition to Alter or Amend Commission Final Order No. 30628 pursuant to *Idaho Code* § 61-624 and Commission Rule of Procedure 326, IDAPA, 31.01.01.326. The Company requests that the Commission alter or amend Order No. 30628 in one regard. Specifically, the Company requests that the Commission set non-recurring charges for reconnection to the water system after a disconnection resulting from a customer default. In its Application and its Amended Application, the Company requested that these non-recurring charges be reviewed and set by the Commission; however, Order No. 30628 did not address this request. Accordingly, as discussed in more detail below, the Company asserts that there are good and sufficient reasons for altering or amending Order No. 30628.

PETITION TO ALTER OR AMEND

On February 5, 2008 the Company filed its Application for a Certificate of Public Convenience and Necessity. In the Application the Company requested authorization to charge rates on an interim basis until final decision by the Commission. In its Proposed Interim Tariff Schedule the Company requested that it be allowed to charge the following non-recurring charges to reconnect to the system after a customer-caused disconnection from the system:

\$35.00 Reconnection Fee during office hours, 8:00 am to 5:00 pm
Monday thru Friday except for the following holidays which fall on a weekday: New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Day after and Christmas Day.

\$70.00 Reconnection Fee after office hours.

Proposed Interim Tariff (emphasis added). In its Amended Application filed on April 25, 2008, the Company respectfully requested that the Commission approve these same non-recurring charges as set for *Exhibit 8* which was attached thereto. *Amended Application* at p. 6; *See also attached Exhibit 8*. In Final Order No. 30628 the Commission did not approve or disapprove of these non-recurring charges. *See Order No. 30628*.

The Company asserts that the amount it requests for these recurring charges is reasonable based on its certified operator's (Valley Hydro, Inc.) hourly rate of \$35.00 an hour for general labor as is shown on the attached invoice. *Exhibit 37*. Each customer reconnection would not only include the labor time on site to reestablish a connection but also the time for the certified operator to have personnel travel to and from its office in Caldwell, Idaho to the Arbor Ridge Subdivision that is south and west of Kuna, Idaho to perform this service.

CONCLUSION

Based on the foregoing, the Company respectfully requests that the Commission approve the following non-recurring charges for reconnection to the system after a customer-caused disconnection:

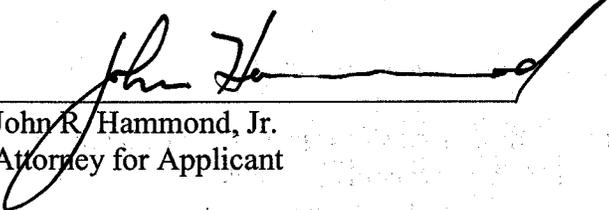

\$35.00 Reconnection Fee during office hours, 8:00 am to 5:00 pm
Monday thru Friday except for the following holidays which fall on a
weekday: New Years Day, Memorial Day, 4th of July, Labor Day,
Thanksgiving, the day after Thanksgiving and Chrstmas Day.

\$70.00 Reconnection Fee after office hours.

DATED THIS 16th day of September, 2008.
