

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF THE APPLICATION)
OF MAYFIELD SPRINGS WATER) CASE NO. MSW-W-08-01
COMPANY, INC. FOR A CERTIFICATE)
OF PUBLIC CONVENIENCE AND) ORDER NO. 30663
NECESSITY.)**

On October 10, 2008, the Commission issued Order No. 30656 establishing a schedule for reconsideration in this case. On October 24, 2008, Mayfield Springs Water Company filed a stipulation requesting that the Commission extend the previously established deadlines or, in the alternative, issue a stay to the reconsideration proceedings.

The stipulation states that the Company and the intervenor are involved in ongoing settlement negotiations regarding the civil action currently before Idaho's Fourth Judicial District "that may resolve all outstanding issues in that litigation and possibly in this matter." Stipulation at 2. Consequently, the parties (including Staff) agreed to extend the filing deadlines regarding reconsideration by approximately fourteen (14) days. The stipulation proposes the following modified schedule:

ACTION	DEADLINE
Mayfield provides a copy of the accounting provided to the District Court and the detailed report of the hookup fee for all residential customers.	November 7, 2008
Mr. Corvino's Comments on Reconsideration	November 17, 2008
Staff Comments on Reconsideration	December 2, 2008
Mayfield Reply Comments	December 12, 2008

Based upon the parties' agreement, we find there is good cause showing to grant Mayfield Springs Water Company's Stipulation to Extend Deadlines.

ORDER

IT IS HEREBY ORDERED that Mayfield Springs' request to amend the reconsideration schedule is granted. The parties shall conform to the revised reconsideration schedule set out in the body of this Order.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 28th day of October 2008.
