I REQUEST A CHANGE IN TARIFF RATE TO ELIMINATE  
THE CUSTOMER HOOKING UP THEIR OWN WATER SERVICE.

I ALSO WOULD REQUEST THE CHARGE FROM \$125 + \$25.  
AN HR. TO READ \$800.

THIS WOULD HELP WITH THE COST OF HOOKING UP NEW  
SERVICES.

Thank you

## (7) Day Notice!!!!!!

Our records show that your account is more than \_\_\_\_\_ past due. If we do not receive full payment of \$ \_\_\_\_\_ by the end of (7) days from this letter we will have to terminate water service. The Idaho Public Utilities Commission prescribes these rules.

Murray Water Works will delay termination of service to a residential customer for (30) days due to medical complications. A medical certificate from a licensed physician or Public Health Official will be accepted. It must state that termination of water will aggravate an existing condition or create a medical emergency. The person diagnosing the medical condition must sign this certificate. Name the person affected and explain the medical condition.

If you disagree with the termination, you may file complaint with our office in writing and request a meeting. The company will review your complaint and send you written results. If you are not satisfied, you may ask the Idaho Public Utilities Commission to review the matter. The address is IPUC Consumer Assistance, PO Box 83720, Boise, ID 83720-0074 or call 1-800-432-0369. Service will not be terminated while the dispute is under review by either Murray Water Works or the IPUC.

**Murray Water Works is willing to make payment arrangements to help any customer having problems paying their water bill. However, the customer will have to make payment arrangements before the termination date on this letter.**

If service is terminated, payment in full will be collected.

Thank you,
