Please describe your comment briefly:

I want to comment on the request to raise our current water rates, I think as a consumer we are not being served properly and Mr. Lish has not complied with rules concerning water service. He has bought the water co. at a discount for \$10,000 8 years ago so to date he has made approx. \$74,880, and we still have no back up system. It seems to me he could buy a generator within this time. What gives, no wonder everyone wants to put in a well. See you Tuesday, Judy Rosalez
