Dear Packsaddle Water Customer:

As you know from my previous letter to you of October 1, 2015, a new non-profit corporation named Packsaddle Water Systems, Inc., has purchased the small water company named Packsaddle Estates Water Corporation. The new non-profit corporation has filed an application with the Idaho Public Utilities Commission asking for the approval of this sale and the transfer of the CPCN (Certificate of Public Convenience and Necessity), if that is appropriate for the new owner.

A copy of this application is available for inspection at the residence of any of your four Board of Directors. Their names and phone numbers were given to you in our previous letter of October 1, 2015. A copy of the application can also be reviewed at the IPUC's offices located at Idaho Public Utilities Commission, 472 W. Washington St., Boise, Idaho 83702. Their mailing address is P.O. Box 83720, Boise, Idaho 83720-0074 and their phone number is 208-334-0300.

The commission will accept any written comments concerning this application, so feel free to provide your input.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert A. Vostrejs". The signature is written in a cursive style with a large initial "R".

Robert A. Vostrejs

Treasurer, Packsaddle Water Systems, Inc.
