Complaint_description: We are owners of a condo at Schweitzer Ski Resort and have been for about thirty years. We are outraged at the hike in our rates which have been \$33.00 per month for each condo and the company would raise it to \$61.96 per condo per month. That is a hike of 88% over our current rate. We do not feel that we should be penalized by the failure of Resort Water Company to produce a profit, nor do we think we should have to pay for all of the additional condominiums and businesses being built at Schweitzer, thus creating an additional drain on the reservoir. We do not feel a responsibility for the failure of the investors to realize a return on their investment. We have supported Schweitzer all these years and do not think this is proper use of the monies that we have invested. Sincerely yours, Larry and Tudy Hatch, No. 1 unit of the Crystal Run Condominiums.
