RE: COMPLIANCE FILING – TARIFF
CASE NO. ROC-W-08-01

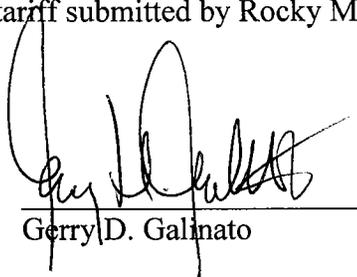

As part of the Idaho Public Utilities Commission Order No. 30703 issued on December 16, 2008, the Commission directed Rocky Mountain Utility Company to implement rates and charges as set out in the Order and to submit tariffs in compliance with the rates and charges identified in this Order no later than 14 days from the service date of this Order. The rates and charges authorized by the Order became effective for service rendered on and after January 1, 2009.

Staff reviewed the tariff submitted by the Company on May 18, 2009 to ensure that the language and rates reflect Commission directives as stated in Order No. 30703. The tariff includes Rate Schedule No. 1, Non-Recurring Charges, and General Rules and Regulations for Rocky Mountain Utility Company. Staff confirms that the language and rates comport with Commission Order 30703. Staff notes that the Company submitted the tariff to the Commission late in spite of conscientious efforts made by Staff working with the Company to submit such documents on time.

Staff recommends approval of the tariff.

COMMISSION DECISION

Does the Commission wish to approve the tariff submitted by Rocky Mountain Utility Company?
