---

On February 13, 2015, the Commission received an Application from Schweitzer Basin Water LLC (“Schweitzer” or “Company”) requesting issuance of a Certificate of Public Convenience and Necessity (“CPCN”).

On May 28, 2015, the Commission issued a Notice of Application and Modified Procedure. The Notice established the following schedule:

Deadline for Filing Comments	August 20, 2015
Deadline for Company Reply Comments	August 27, 2015

**MOTIONS FOR EXTENSION OF REPLY COMMENT DEADLINE**

On August 25, 2015, the Commission received a letter from Schweitzer owners Mel Bailey and Marsha Bell. In the letter, the Schweitzer owners requested an extension of the reply comment deadline until the end of the business day on September 2, 2015. Schweitzer stated that the Company was “diligently reviewing” Staff’s comments and wished to “respond with our corrections and comments.”

On September 1, 2015, the Commission received another letter from Schweitzer requesting an additional extension of the reply comment deadline until September 8, 2015. Schweitzer stated that an additional extension was necessary so that the Company could participate in a conference call with Staff on Wednesday, September 2, 2015, and have “enough time to research our answers and be as complete and as correct as possible.”

**COMMISSION FINDINGS**

The Commission has reviewed Schweitzer’s requests for an extension of the reply comment deadline. The Commission finds that the Company is working in a cooperative manner with Staff and has presented adequate justification for an extension of the reply comment deadline in this case. Further, no person or party has opposed the Company’s request for an extension. Therefore, the Commission will grant the Company’s request for an extension of the reply comment deadline.

**ORDER**

IT IS HEREBY ORDERED that Schweitzer's Motion for an Extension of the Reply Comment Deadline is granted. The Company may file its reply comments no later than September 8, 2015.

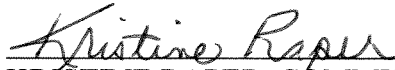

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 2<sup>nd</sup> day of September 2015.
