YOU ARE FURTHER NOTIFIED that on August 14, 2006, Spirit Lake East Water Company filed an Application requesting authority to increase its rates and charges for water service. The Company requested approval to increase its rates from \$12 to \$24 for the first 9,000 gallons of water usage, and from \$.10 to \$.20 for every 100 gallons of water used by a customer over 9,000 gallons per month. In addition, the Company asked approval for an increase in the connection fee for new service from \$1,200 to \$2,500. The Company proposed an effective date of September 14, 2006 for the new rates.

YOU ARE FURTHER NOTIFIED that Spirit Lake has been providing water service for nearly 23 years and currently provides service to 280 customers in Kootenai and Bonner Counties, Idaho. The Application states that the Company's rates for consumption have not changed since initially approved by the Commission in November 1983. In June 2004, the Commission approved an increase in the Company's connection fee from \$650 to \$1,200. The Company states that the \$2,500 connection fee it now proposes is the actual cost it incurs in connecting a new customer to the water system. The Company is requesting the new service connection fee to cover the amount actually paid to outside contractors who perform the connection work.
