Please describe your comment briefly:

The Spirit Lake East Water Co. wants to increase our water bill 106%!. This is completely out of line to request such a huge increase at this time in our economy. I am retired and this would just add to the increase in property taxes, fuel prices, food prices, income tax increases, medical fee increases, etc. If my retirement pay went up 106% they might have something to justify the increase. But 106%!?. This is uncalled for and I am requesting that the commission refuse their increase request.

Thank you,

John & Jeri Haus
