Name of Utility Company: Eagle Water Company

Comment: The Eagle Water Company maintains our high level of tap water. The Suez company purchase would be a devastating change for the residents of Eagle. I have good friends on the other side of town who have to deal with Suez and they say that they are terrible. The water is laced with toxic chemicals and the rates are sky high. You owe it to your residents of Eagle to hold a public meeting to allow testimonies from the locals. Sincerely, a passionate Eagle resident.
