Please describe your question or comment briefly:
Happy Valley Ranchos water users knew there would be a fee increase in our future. When we were considering merging with Stoneridge Water Company they led us to believe a future increase would be about \$10.00 a month. The increase they are requesting is to \$55.00 a 300% increase plus a 93% increase in water usage fees. I fell this is exorbintant and should not be allowed.
