**SCHEDULE NO. 4**  
**HOOK-UP FEES**

1. **Base Hook-up Fee:**

A base hook-up fee in the following amount will be charged and collected at such time as the customer makes application for connection to the system. The amount of the hook-up fee shall be as follows:

\$1,500 for all service line sizes, not including cost of meter.

2. **Uncollected Availability Charge:**

In the event any customer fails to pay the Availability Charge as required by Schedule No. 1 herein, the customer shall pay upon collection a hook-up fee in amount equal to such Availability Charge multiplied by the number of whole months accruing between the date a customer first acquired title of his or her lot and the date the customer makes application for water service, reduced by the amount of availability fees the customer voluntarily paid prior to making such application.
