The Company also requested that the Commission approve a change in existing rates and charges for water service and approve the Company's proposed Rules and Regulations Governing the Rendering of Water Service.

EXTEND PERIOD OF SUSPENSION

On August 6, 2008, the Commission issued a Notice of Modified Procedure and Scheduling in Case No. TTS-W-08-01. The deadline for filing comments was September 5, 2008. Comments were filed by a customer of the Company and Commission Staff. Pursuant to Amended Notice of Scheduling and thereafter informal agreement, the reply comment deadline for Teton Springs was extended from September 19, 2008 to October 10, 2008. In its reply comments, Teton Springs requested the opportunity for oral argument.

On November 7, 2008, oral argument in Case No. TTS-W-08-01 was held. On November 21, at the request of the Commission, additional testimony was filed on behalf of the Company. The Commission in Order No. 30571 suspended the Company's proposed schedule of rates and charges for water service for a period of thirty (30) days plus five (5) months from June 20, 2008, or until such earlier time as the Commission might issue an Order, accepting, rejecting, or modifying the Application in this case. *Idaho Code* § 61-622. On December 5, 2008, the parties stipulated to extend the period of suspension to January 16, 2009.
