ADDENDUM TO REBUTTAL
COMMENTS OF EAGLE WATER
COMPANY, INC.

COMES NOW, EAGLE WATER COMPANY ("Eagle Water"), and files the following Addendum to its Rebuttal Comments regarding the Idaho Public Utilities Commission's Proposed Order granting service of Covenant Hill Subdivision to United Water of Idaho, Inc.

COMMENTS

1. Item No. 4 of Eagle Water's Rebuttal Comments should be revised to request "that the Commission delay a decision in this matter until November 28, 2005."

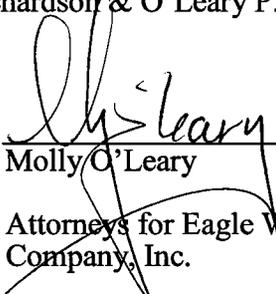

2. As previously stated, Eagle Water believes that it has sufficient fire flow pressure and potable water supply to currently service Covenant Hill Subdivision, regardless of the 12-inch mainline system loop from its Well No. 6 that it desires to incorporate into the service of the subdivision. Nevertheless, in recognition of potential

Commission concerns that service of Covenant Hill Subdivision without said system loop will have a negative impact on Eagle Water's ability to serve existing customers in nearby subdivisions, Eagle Water will surrender the Covenant Hill portion of its service area if it is unable to complete the system loop by April 1, 2006.

DATED this 21st day of November, 2005.
