---

On October 21, 2005, United Water Idaho Inc. filed an Application seeking to amend and revise its Certificate of Public Convenience and Necessity in order to expand its service territory. The Company requested that the Application be processed by Modified Procedure. IDAPA 31.01.01.201-204.

**THE APPLICATION**

YOU ARE HEREBY NOTIFIED that United Water seeks to expand the provision of its water services to seven discrete parcels of land. A map depicting United Water's current certificated boundary and United Water's proposed certificated boundary is attached to the Company's Application as Exhibit A, and is further attached to this Order. The seven parcels are located at:

- (1) Cloverdale Road, between Franklin Road and Ustick Road, Ada County (as described in further detail in Exhibit C to the Application);
- (2) Eagle Road and McMillan Road, Ada County (as described in further detail in Exhibit E to the Application);
- (3) Hidden Springs/Cartwright Ranch, Ada County (as described in further detail in Exhibit H to the Application);
- (4) The LDS Church at Eagle Road and Lake Hazel Road, Ada County (as described in further detail in Exhibit K to the Application);
- (5) The LDS Church at Linder Road and Columbia Road, Ada County (as described in further detail in Exhibit L to the Application), adjacent to United Water's existing non-contiguous Danskin service area;

- (6) The Lexington Meadows subdivision at McDermott Road and Overland Road, Canyon County (as described in further detail in Exhibit N to the Application);
- (7) The Iron Horse subdivision at W. Columbia Road and S. Black Cat Road, Ada County (as described in further detail in Exhibit R to the Application), which subdivision extends the boundaries of United Water's non-contiguous Danskin service area.

YOU ARE FURTHER NOTIFIED that United Water states that the area it is proposing to serve is not within the authorized territory of any other public utility water corporation under the jurisdiction of the Commission and is covered by United Water's rules and regulations. The Application states that there are no known public utilities, persons, or corporations with whom the expansion is likely to compete, and the requested expansion would not interfere with the operation of any other water utility. United Water proposes to provide service pursuant to its Tariff No. 1, General Metered Service, and in all respects will provide service pursuant to its Rules and Regulations as approved by the Commission.
