Comment_description: WHY DO EXISTING CUSTOMERS OF THE WATER CO. HAVE TO PAY FOR NEW STORAGE & DISTRIBUTION SYSTEMS FOR NEW CUSTOMERS? MORE CUSTOMERS MEAN MORE MONEY FOR THE WATER CO., IF ADDITIONEL FUNDS ARE NEEDED TO PROVIDE HOOK-UPS FOR NEW CUSTOMERS, PLACE THE BURDEN WHERE IT BELONGS, EITHER ON THE DEVELOPERS OR THE NEW CUSTOMERS.

Comment_description: Please reject United water's application to increase rates of 17.91%. The rates for utilities have all increased and existing customers should not have to fund the cost of United Waters new development is the cost of doing business, and should be recouped by those that it either benefits or are affected. As it is, we are not able to drink our water as the taste is horrible. Wouldn't we all like a raise of over 17% in our paychecks? Please think of those on fixed incomes and those that are tired of the utility companies asking for and receiving more money from customers!

TO: Commissioner Secretary

I do not approve of any rate increase because in the future they will ask for more, as all utilities co's do. I do not get no raise at my job, and I am on a fixed income.

Thank you
