Re: Case No. UWI-W-06-04

Dear Commissioners:

On April 26, 2006, United Water Idaho Inc. filed an Application with the Idaho Public Utilities Commission (Commission) seeking to amend and revise its Certificate of Public Convenience and Necessity No. 143, as amended. The referenced Application seeks to add an area known as the Trailhead Community to UWI's service territory. UWI stated at paragraph VI. that "There are no known public entities, persons or corporations with whom the expansion is likely to compete." This is incorrect. The defined area of expansion includes an area and a development that will be served by the City of Eagle municipal system. The developer, Kastera Homes, has already contacted the City of Eagle regarding annexation into the City, and the City is taking steps to accommodate the developer's request. (See attached copy of letter from Kastera Homes.) Under existing City ordinances the development will be served by the City. Therefore, the City objects to extension of the UWI certificate to this area.

Sincerely,

MOORE SMITH BUXTON & TURCKE,
CHARTERED
