YOU ARE HEREBY NOTIFIED that on April 26, 2006, United Water Idaho Inc. (United Water; Company) filed an Application with the Idaho Public Utilities Commission (Commission) for authority to amend and revise its Certificate of Public Convenience and Necessity No. 143, as amended. Reference *Idaho Code* § 61-526; IDAPA 31.01.01.112. United Water seeks to add an area known as the Trailhead Community to its certificated service territory. The area of expansion is located in Ada County north of the City of Eagle in an area more particularly described as: a parcel of land being all of the West 1/2 of the Southwest 1/4 of Section 27 and all of Section 28, Township 5 North, Range 1 East, Boise Meridian, Ada County, Idaho.

The developer of the Trailhead Community has requested that United Water extend water service facilities to the area. United Water contends that the Trailhead Community area is not within the authorized service territory of any other public utility water corporation under the Commission's jurisdiction nor, it contends, will the extension interfere with the operations of any other water utility under the Commission's jurisdiction. United Water further contends that there are no known public entities, persons or corporations with whom the expansion is likely to compete.

YOU ARE FURTHER NOTIFIED that the Commission has reviewed the filings of record in Case No. UWI-W-06-4. The Commission has preliminarily determined that the public interest regarding the Company's Application, amendment of Certificate and extension of service to the Trailhead Community area may not require a hearing to consider the issues presented and

YOU ARE FURTHER NOTIFIED that the **deadline for filing written comments or protests** with respect to United Water's Application and the use of Modified Procedure in Case No. UWI-W-06-4 is **Wednesday, May 31, 2006**.

YOU ARE FURTHER NOTIFIED that if no written comments or protests are received within the deadline, the Commission may consider the matter on its merits and may enter its Order without a formal hearing. If comments or protests are filed within the deadline, the Commission will consider them and in its discretion may set the matter for hearing or may decide the matter and issue its Order based on the written positions before it.
