Re: UWI-W-07-1; Staff Decision Memo

Dear Commissioners:

After review of the Staff Decision Memo dated February 6, 2006, United Water concurs that the case may be processed by Modified Procedure, as originally proposed in our Application.

Based, however, on informal discussions with Staff and our resulting understanding of positions that may be taken by Staff, we request that the Commission's Procedural Order afford United Water the right to file Reply Comments, to be due 15 days after filing of Staff Comments. Further, we request the opportunity to present oral argument, the date for which could be fixed in the Procedural Order or established after receipt of all comments, at the Commission's discretion.

Very Truly Yours,

McDevitt & Miller LLP
