On January 10, 2007, United Water Idaho Inc. filed an Application requesting approval of an amendment to its Certificate of Public Convenience and Necessity and of a Special Facilities Agreement with Avimor LLC. United Water signed an agreement with Avimor to provide water to a subdivision development located north of Boise. The area of development currently is not within the certificated area of any water company.

On February 14, 2007, the Commission issued a Notice of Application and Notice of Modified Procedure to process the Application and establish deadlines for filing written comments. The Commission also granted a Petition to Intervene filed by Avimor and Avimor's Motion for an extension to the time for filing reply comments. Initial comments were filed by the Commission Staff and the City of Eagle; reply comments were filed by Avimor and United Water.

By letter dated February 7, 2007, United Water requested an opportunity to present an oral argument in addition to its filed comments. Also, on April 20, 2007, United Water filed an objection to the City of Eagle's comments.
