Dear Utilities Commission:

I am writing to express my extreme displeasure regarding the issue of converting our bi-monthly water billing to a monthly billing system. With various costs going up on everything practically on a daily basis why change something that is working just fine and has been for years just to cost us consumers more money!!

Please, as a United Water customer, I ask you to leave the current bi-monthly billing in place. We do not need any more additional costs placed on us than we have to incur. Our address is 8095 S. Slide Creek Lane, Meridian, Idaho and our contact number is (208) 855-2117 for any questions you might have.

Sincerely,

Patricia A Beckes
