Re: **DANSKIN-SADDLE RIDGE WATER SYSTEM PURCHASE AGREEMENT: Case #UWI-W-07-5**

Dear Commissioners:

Please find this letter in response to the Danskin-Saddle Ridge Water System Purchase Agreement between the City of Kuna and United Water Idaho recently submitted to the Idaho Public Utility Commission. The City of Kuna is in agreement with and in support of the conditions outlined in the filing and is anxious to finalize the purchase process before year-end. Additional water rights and water supply provided by the System is critical in enabling the City of Kuna to meet the demands of growth. The City of Kuna appreciates any efforts made by the Commission to expedite the timely resolution of this filing.

Sincerely,

CITY OF KUNA

Scott Dowdy
Mayor
