RE: Order No. 30624 - Petition of Reconsideration

Dear Jean & Commission,

I would like to thank the Commission for hearing our formal complaint. We are obviously disappointed with the Commission decision to dismiss our complaint. I am filing this formal Petition for Reconsideration in my capacity as President of McKay Construction.

In response to the decision, it does not appear the Commission addressed the letter from UWI dated August 22, 2005 (attached) that states "When you are able to meet the required insurance coverage minimums you will be allowed to perform work on United Water Idaho projects." We strongly feel that they are not honoring their stated position of placing us back on the approved contractors list at this time. Because of this refusal, it is adversely affecting us to operate in a competitive market place.

I would like you to reconsider your decision by ordering United Water to place us on their list of approved contractors

Thank you for taking the time for this petition of reconsideration.

Sincerely,

Mike McKay
President

Dear Mr. McKay:

Thank you for your response to my request for updated insurance information. The information, which you sent to us, indicates that you do not have the minimum insurance necessary to be an approved United Water Contractor.

When you are able to meet the required insurance coverage minimums you will be allowed to perform construction on United Water Idaho projects.

If you have any questions, please feel free to call.

Sincerely,

John Lee
Construction Coordinator
