Re: Case No. UWI-W-15-01

Dear Ms. Jewell:

Enclosed, please find an original and nine (9) copies of an erratum sheet to Community Action Partnership Association of Idaho's Testimony of Christina Zamora in Support of Settlement Stipulation filed on Nov. 6, 2015. Specifically, beginning on p. 5 of the original testimony, it is stated that: "**with close to half a million customers....**" [*Emphasis added*]

The foregoing statement obviously overstates United Water's customer base and is the result of a typo that I failed to catch. Thus, the attached erratum page corrects p. 5 of Ms. Zamora's original testimony by stating the true customer population with the following replacement language: "**with close to 90,000 customers serving an estimated quarter million individuals,**" [*Emphasis added*]

The foregoing erratum changes neither the pagination nor substance of Ms. Zamora's testimony and I ask that you please replace the attached page No. 5 with that originally filed on November 6, 2015.

Yours truly,

  
Brad M. Purdy
