

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF THE APPLICATION)
OF UNITED WATER IDAHO INC. FOR) CASE NO. UWI-W-15-01
AUTHORITY TO INCREASE ITS RATES)
AND CHARGES FOR WATER SERVICE IN)
THE STATE OF IDAHO) ORDER NO. 33394
)**

On May 21, 2015, United Water Idaho Inc. filed an Application requesting a general rate increase. The Commission issued a Notice of Application and Notice of Intervention. Order No. 33316. Community Action Partnership Association of Idaho (CAPAI) timely petitioned to intervene, which the Commission granted. Order No. 33334. The Commission established a procedural schedule with the following deadlines:

October 9, 2015	Staff and Intervenor Testimony
November 6, 2015	Company Rebuttal Testimony
November 19, 2015	Technical Hearing

Order No. 33344.

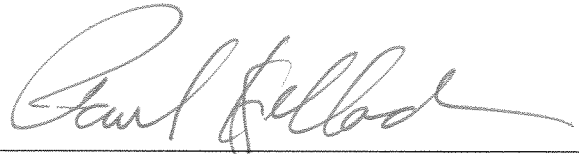

On October 1, 2015, United Water filed a Notice of Proposed Settlement and Motion to Amend Procedural Schedule on behalf of the parties. In its Motion, United Water indicated the parties agreed “that the October 9, 2015 date for Staff and Intervenor testimony may be vacated; that November 6, 2015 may be set as the date for filing testimony with respect to the Settlement Stipulation and that November 19, 2015 may be set as the date for hearing to consider the Settlement Stipulation.” Motion at 2.

In light of the parties’ tentative settlement, the Commission finds it reasonable to vacate the October 9 deadline and amend the remaining schedule. The Commission understands that a written Settlement Stipulation is forthcoming. Once the Settlement Stipulation has been filed, the Commission will issue a Notice of Settlement; Notice of Modified Procedure with deadlines for the parties’ supporting testimony (November 6) and public comments; and Notice of Public Customer Hearing (evening of November 19).

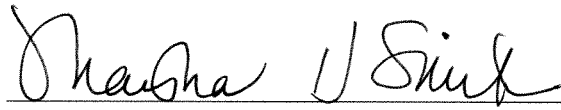

ORDER

IT IS HEREBY ORDERED that United Water's Motion to Amend Procedural Schedule is granted. The deadlines and hearing date previously set in Order No. 33344 are vacated and will be rescheduled in a separate Order.

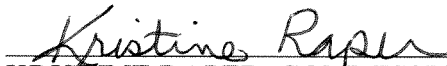

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 6th day of October 2015.
