Re: Corporate Name Change of the United Water Inc. Companies

Dear Secretary Jewell:

SUEZ Group ("SUEZ") is the ultimate corporate parent of United Water Inc. and the public utility subsidiary providing service in Idaho is United Water Idaho Inc. SUEZ is a global enterprise with over 80,000 employees operating in 70 countries under 50 different brands. Earlier this year, SUEZ announced that it intended to operate its various businesses under a single brand: SUEZ. Consistent with that effort, United Water Idaho Inc. is undergoing a name change. The purpose of this letter is to advise the Idaho Public Utilities Commission (the "IPUC") that the name change set out below became effective on November 9, 2015 with the Secretary of State of Idaho:

COMPANY NAME	NEW COMPANY NAME
United Water Idaho Inc.	SUEZ Water Idaho Inc.

Corresponding changes will be made to bills, signage, vehicles and uniforms during the remainder of this year and early next year. SUEZ Water Idaho Inc. will notify its customers of the name change through an outreach program beginning in November, which will employ digital and print advertising, bill inserts, website and social media postings, and outdoor advertising. The name changes will have no impact on the Idaho customers, who will continue to receive water service under the same rates, terms and conditions as are currently in effect.

Finally, so that the IPUC's records accurately reflect the name changes of SUEZ Water Idaho Inc., enclosed are copies of various materials filed with, and received from, the Idaho Secretary of State effectuating the name change as well as a copy of the bill insert that will be sent to customers. Additionally, also attached is a complete copy of SUEZ Water Idaho tariff which indicates the name changes and the effective date.

Based upon discussions with Staff, the attached Tariff also reflects the stipulated rates to become effective December 22, 2015. Please feel free to contact me if you have any questions regarding the name change or any of the attached materials.

Best regards,

Gary S. Prettyman

**70 countries.
50 companies.
1 focus—you.**

Globally, our demand for natural resources will more than double our current supply. If we don't start working towards a solution now, it will be too late.

That's why SUEZ is consolidating our businesses around a single mission—preparing for the resource revolution. By pooling our resources today, we're able to bring a global network to work on a local level. We do this so you can continue to enjoy the great water and service you do today, for many years to come.
