Re: Application for Determination of Qualified Broadband Equipment (2007)

Dear Ms. Seaman:

Pursuant to Commission Order No. 28784, in Case No. GNR-T-01-10, Qwest Corporation ("Qwest") hereby submits the following information in support of its request that the Idaho Public Utilities Commission ("PUC") determine that the machinery and equipment listed in Tab A constitutes "qualified broadband equipment" as defined in Idaho Code Sec. 63-3029I.

1. 2007 Qualified investment, reported by general broadband, dedicated line and inter-office facilities (Tab A)
2. 2007 retirements of 2003, 2004, 2005 and 2006 investment, along with an explanation of how the retirements were calculated (Tab B)
3. Explanation of how we differentiate 2007 from 2006, 2005, 2004 and 2003 investment and insure that no equipment is reported more than once (Tab C)
4. Capitalization policy (Tab D)
5. Certification Statement (Tab E)

Total Investment for 2007, net of retirements is as follows:

General Broadband Services	\$6,426,058
Dedicated Line Services	2,589,944
Inter-Office Facilities	<u>1,107,623</u>
Total 2006 Investment	\$10,123,625
Retirements of 2003 Investment	936,864
Retirements of 2004 Investment	838,854
Retirements of 2005 Investment	664,885
Retirements of 2006 Investment	<u>372,857</u>
2007 Net Investment	\$7,310,165

I am enclosing four copies, two in binders and two unbound copies. I am also enclosing a disk with the investment data information. Please contact me on 303-308-5610 if you have questions or require additional information regarding this submission.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann W. Fillerup". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.
